WATER TOYS

An aerial photograph of a large white yacht with a wooden deck, moving across the water. A yellow rope is attached to the stern of the yacht, extending across the water and towing a line of various water toys. From left to right, the toys include a small white motorboat, a Seadoo jetski, two Seabobs (one blue and yellow, one blue), three paddleboards (two blue and white, one blue), and a colorful inflatable banana boat. The water is a deep teal color with ripples from the yacht's wake.
